

All In My Head

NKOTBSB

Maybe it's just me
But I don't think that it is
Possible for me
To continue like this I feel so insecure
Every time you walk away
And I'm never really sure
How long your gunna stay Baby it's all in my head
Feel like leaving but I don't really want to
But I feel so misled
A kiss from the phone just won't do
Because from my point of view
I gotta say
Something bout you
So tell me then
Cuz somewhere down the road
You think you lost it all
Now it's all in my head
All in my head
All in my head
All in my head
You know it's not my style
To start a fight and make a scene
But it's different this time
I am not a drama fiend Maybe it's just me
This is how I feel
But this can simply be
Another case of jealousy Baby it's all in my head
Feel like leaving but I don't really want to
But I feel so misled
A kiss from the phone just won't do
Because from my point of view
I gotta say
Something bout you
So tell me then
Cuz somewhere down the road
You think you lost it all
Now it's all in my head
All in my head
All in my head
All in my head I mean we can talk it out
And tell that it's alright
But alright just wont do anymore

I mean we can kiss and make up
And tell that it's enough
But enough just won't do anymore Baby it's all in my head
Feel like leaving but I don't really want to
But I feel so misled
A kiss from the phone just won't do Baby it's all in my head
Feel like leaving but I don't really want to
But I feel so misled
A kiss from the phone just won't do
Because from my point of view
I gotta say
Something bout you
So tell me then
Cuz somewhere down the road
You think you lost it all
Now it's all in my head
All in my head
All in my head
All in my head
