

# Waste the Night

## 5 Seconds of Summer

Ahh Ahh

I need your love, need your love Taste in your tongue, (ohh) the smoke in your lungs (ahh)

And I need your love, and I need your love (ahh)

The salt on your skin is pulling me in (ahh)

And I need your love, and I need your love I don't wanna say goodbye to another night

And watch you walk away

I don't wanna let it burn in the city lights

And make the same mistakes This time

I don't wanna waste it, don't wanna waste it

I don't wanna waste it, don't wanna waste it

I don't wanna waste it, don't wanna waste the night

I don't wanna waste it, don't wanna waste it

I don't wanna waste it, don't wanna waste it

I don't wanna waste it, don't wanna waste the night

The scratch in your voice leaves me no choice

And I won't give up, and I can't give up I don't wanna say goodbye to another night

And watch you walk away

I don't wanna let it burn in the city lights

And make the same mistakes This time

I don't wanna waste it, don't wanna waste it

I don't wanna waste it, don't wanna waste it

I don't wanna waste it, don't wanna waste the night

I don't wanna waste it, don't wanna waste it

I don't wanna waste it, don't wanna waste it

I don't wanna waste it, don't wanna waste the night I don't wanna say goodbye to another night

I don't wanna let it burn in the city lights

I don't wanna say goodbye to another night

And watch you walk away

I don't wanna let it burn in the city lights

And make the same mistakes This time

I don't wanna waste it, don't wanna waste it

I don't wanna waste it, don't wanna waste it

I don't wanna waste it, don't wanna waste the night

I don't wanna waste it, don't wanna waste it

I don't wanna waste it, don't wanna waste it

I don't wanna waste it, don't wanna waste the night (Ohh)

I don't wanna waste it, don't wanna waste it

I don't wanna waste it, don't wanna waste it
