

# With You

## Kaskade & Meghan Trainor

Am I the only one who's been mistaken'  
'Cause you're the only one who keeps me waitin'  
Do you know how much time I would be savin'  
If I didn't let you into my head, let you into my  
bed I've done it again, haven't I been here before  
Here before (Oh Lord)  
My hand on my head, haven't I been here before  
Here before So Stop  
Stop sayin' that you're mine  
Imma need a better reason to be spendin' all my time  
With you You leave me, I'll be fine  
Imma need a better reason to be wastin' my time  
With you  
Wastin', wastin' my time  
With you  
Wastin', wastin' my time  
With you  
Wastin', wastin' my time  
With you  
Time with you Baby I know you've been misbehavin'  
I been cleanin' up the mess that you been makin'  
Do you know how much time I would be savin'  
If I didn't let you into my head Let you into my bed (no, no)  
I've done it again, haven't I been here before  
Here before (Oh Lord)  
My hand on my head, haven't I been here before  
Here before  
So Stop  
Stop sayin' that you're mine  
I'mma need a better reason to be spendin' all my time  
With you  
You leave me, I'll be fine I'mma need a better reason to be wastin' my time  
With you Wastin', wastin' my time  
With you  
Wastin', wastin' my time (I be)  
With you  
Wastin', wastin' my time (I be)  
With you  
Time with you Oh Stop  
Stop sayin' that you're mine  
I'mma need a better reason to be spendin' all my time  
With you  
If You leave me, I'll be fine

I'mma need a better reason to be wastin' my time  
With you Wastin', wastin' my time  
With you  
Wastin', wastin' my time ( I be)  
With you  
Wastin', wastin' my time  
With you  
Wastin' my time with you babe
